Assessing Risk of Breast Cancer through Outreach  
to Latinas with Education and Support

## Genetic Services and Information Resources

TELEPHONE BASED GENETIC COUNSELING TETSING	
Informed DNA	<p>InformedDNA is the authority on the appropriate use of genetic testing. They counsel and advise health plans, health systems, and physicians. In addition, they provide clinical services, offering patients convenient access to certified genetic counselors.</p> <p><a href="https://informeddna.com/">https://informeddna.com/</a></p>
Gene Matters	<p>A genetic counseling service with flexible telehealth staffing, clinical expertise and an online patient management platform.</p> <p><a href="https://www.gene-matters.com/">https://www.gene-matters.com/</a></p>
INFORMATIONAL RESOURCES	
National Comprehensive Cancer Network	<p>NCCN is a non-profit organization that is an alliance among comprehensive cancer centers in the United States. They offer guidelines and clinical resources.</p> <p><a href="https://www.nccn.org/professionals/physician_gls/default.aspx#site">https://www.nccn.org/professionals/physician_gls/default.aspx#site</a></p>
National Society of Genetic Counselors	<p>The NSGC offers a resource to help people find genetic counselors in their area. In this website you have the option to find a counselor you can connect with in person or over the phone.</p> <p><a href="https://www.findageneticcounselor.com/">https://www.findageneticcounselor.com/</a></p>
Be the Choice	<p>This non-profit organization offers a tool to help women with breast cancer generate decision trees based on the status of their breast tumor. They also offer decision trees for women who are being tested for breast cancer.</p> <p><a href="http://bethechoice.org/">http://bethechoice.org/</a></p>

**GENETIC TESTING SERVICES**

Laboratory/Resource	Financial Assistance
Invitae	<p>Invitae has a patient access program and a financial assistance plan to reduce patient out-of-pocket costs. For patients who are uninsured testing is free once they have validated their low income/no income via pay stub or signed letter.</p> <p><a href="https://invitae.com/en/billing/">https://invitae.com/en/billing/</a></p>
Ambry Genetics	<p>Ambry offers a formal financial assistance program. For the non-insured and in cases meeting their financial assistance program criteria, Ambry offers a significant discount off of their institutional rates with payment plan options. For the under-insured and in cases that meet Ambry's criteria, patient out of pocket expense is limited to \$100.</p> <p><a href="http://www.ambrygen.com/financial-assistance-program">http://www.ambrygen.com/financial-assistance-program</a></p>
GeneDX	<p>GeneDx offers a financial assistance program, which offers patients a discounted out of pocket cost based on their financial standing. In addition, they offer Compassionate Care pricing if:</p> <ul style="list-style-type: none"><li>• Patient holds Medicaid insurance but the test is not covered by Medicaid</li><li>• Patient holds Medicare insurance but the test is not covered by Medicare</li><li>• Patient holds Tricare insurance but the test is not covered by Tricare</li><li>• Patient's annual household income is less than 4 times the federal poverty guideline</li></ul> <p><a href="https://www.genedx.com/billing/financial-aid/">https://www.genedx.com/billing/financial-aid/</a></p>
Quest Diagnostics	<p>Quest Diagnostics provides financial assistance to those who are underinsured or have no insurance coverage. Underinsured or uninsured persons who meet income requirements will qualify for a maximum out-of-pocket expense of \$200. Quest Diagnostics also offers a 12 month payment plan with no interest. The following tests qualify for Quest Diagnostics financial assistance program:</p> <p><a href="http://www.brcavantage.com/provider-resources/reimbursement-support-financial-assistance/">http://www.brcavantage.com/provider-resources/reimbursement-support-financial-assistance/</a></p>
Myriad Genetic Laboratories	<p>Myriad offers genetic testing at no cost to patients who are uninsured, meet medical criteria (NCCN criteria) and the low income requirements household (incomes up to 300 percent of the Federal poverty level). Due to regulatory limitations, patients who are recipients of government funded programs (e.g., Medicaid, Medicare, Medicare-Advantage, and Tricare) are not eligible to apply for MFAP. Myriad also provides financial assistance up to \$100 to reduce out-of-pocket costs for underinsured patients in the U.S.</p> <p>Telephone line and some documents in the web also in Spanish</p> <p><a href="http://www.myriad.com/myriad-cares-2/financial-assistance-program/">http://www.myriad.com/myriad-cares-2/financial-assistance-program/</a></p> <p>Telephones: 844-MYRIAD9 (844-697-4239), (800) 4-MYRIAD (800) 469-7423. Email: <a href="mailto:billing@myriad.com">billing@myriad.com</a>.</p>

Susan G. Komen for the  
Cure

Some affiliates fund local programs which provide genetic testing to uninsured or underinsured people.
